

INTERNATIONAL CONFERENCE

on

“Recent Trends in Medical Diagnostic Technology (RTMDT-2026)”

21st - 22nd January 2026

VENUE

Maharani Laxmibai Auditorium, CSSH Building,
 Subhartipuram, NH-58, Delhi-Haridwar Bypass Road, Meerut, NCR Region, U.P., India

THE ORGANIZING COMMITTEE

CHIEF PATRONS:

DR. ATUL KRISHNA
 Founder
 Subharti Group

MRS. STUTI NARAIN KACKER
 Chancellor
 Swami Vivekanand Suharti University

PATRONS:

PROF. (DR.) P. K. SHARMA
 Vice Chancellor
 Swami Vivekanand Subharti University

PROF. (DR.) SHALYA RAJ
 Chief Executive Officer
 Swami Vivekanand Subharti University

PROF. (DR.) KRISHNAMURTY
 Executive Officer
 Swami Vivekanand Subharti University

CO-PATRON:

PROF. (DR.) JASMINE ANANDBAI
 Dean, Faculty of Allied Health Sciences
 Swami Vivekanand Subharti University

CONVENER:

PROF. (DR.) PANKAJ KISHOR MISHRA
 Principal, SCAH
 Swami Vivekanand Subharti University

CO- CONVENER:

PROF. (DR.) UMESH KUMAR
 Head, Department of Medical Laboratory Science,
 SCAH, Swami Vivekanand Subharti University

ORGANIZING SECRETARY:

COORDINATORS:

DR. ANSHU KUMAR SINGH
 Associate Professor, SCAH
 Swami Vivekanand Subharti University

DR. MEENAKSHI MISHRA
 Associate Professor, SCAH
 Swami Vivekanand Subharti University

DR. RAVINDRA K. MANIK
 Head, Department of Optometry, SCAH
 Swami Vivekanand Subharti University

MR. AKASH KUMAR
 Assistant Professor, SCAH
 Swami Vivekanand Subharti University

ABOUT THE CONFERENCE

The Subharti College of Allied and Healthcare (SCAH) celebrates a new era of technology by organizing an International Conference on '**Recent Trends in Medical Diagnostic Technology**' (RTMDT-2026). The sessions of the event will be fulfilling, enriching, and inspiring with participants from numerous universities, institutes and research centers with knowledge of recent advances in diagnosis.

The two-day conference program has been carefully structured to encourage mutual inspiration among young professionals, researchers and students. On the first day the inauguration session followed by expert lecture series delivered by professional eminent guest speakers' in-depth discussions of presentations. The second day of event will be continued with the lecture series followed by full-length paper/poster presentations and interactive sessions in a way to open reflections and share thoughts about research strategies of all concerning disciplines. In the last, we return to base for new discussions of what we have seen and heard and how this might influence further research within the field.

Eminent guest speakers have been chosen for the event; all exceptional and distinguished researchers at the forefront of their particular field. They offer a chance to network and learn from them. In addition, conferences can also help you to stay up-to-date on the latest trends and developments in your field. Attending conferences often ensures that you keep up with the latest advances in your field and position yourself as a thought leader.

This conference will keep you updated on new findings that have taken place in the field of medical diagnosis. This is in fact one of the major reasons why one should attend this conference. The objective of this conference is to connect with junior and senior scholars working in academic across the nation. Participants will have the opportunity to exchange empirical findings and discuss theoretical and methodological perspectives. By learning about new topics and meeting leaders in their field, student feels encouraged and motivated. Listening to any prominent personality in any seminar or workshop helps the student to gain information about their way of work or how things take place.

THEME THE CONFERENCE

1. Innovations in Medical Laboratory, Radio Imaging, Operation Theatre Technology, and Optometry.
2. Automation in various diagnostic fields.
3. Quality management in various diagnostic procedures.
4. Aggressive role of Artificial Intelligence in Medical Diagnostic

ABOUT SCAH.....

Welcome to the Subharti College of Allied and Healthcare (SCAH)....

No endeavor can be accomplished without the valuable contribution of the stakeholders involved, its success is entirely dependent on the teams working behind the scene, and similarly no treatment protocols can be perfect without skilled healthcare professionals. The technical expertise with theoretical knowledge is making healthcare professionals indispensable for any healthcare facility. Our success, over many years, has been the result of the quality of our teaching, support staff and excellent infrastructure. We are sure that the students will find the SCAH extremely beneficial for enhancing their professional skill and rising on the ladder of career advancement. Therefore, the main aim of our SCAH is to train the students in such a way that they apply their knowledge and skill in diagnostic as well therapeutic medicine.

The Subharti College of Allied and Healthcare, a constituent College of Faculty of Allied and Health Sciences, Meerut is well with all facilities required for teaching, training, learning & laboratory activities. At present, it is headed by Dr. Pankaj Kishor Mishra Ph. D in Biochemistry. He possesses vast experience of research and teaching. The other faculty members, highly qualified and experienced, are employed on a full time basis.

Chhatrapati Shivaji Subharti Hospital. The teaching hospital of Subharti Medical College, and Subharti College of Allied and Healthcare is accredited by NABH, has many super specialty departments. It is equipped with over 1000 beds, 24 Operating Suites, state of art 7 ICUs and modern Accident & Emergency Service Department. The Central Laboratory, accredited by NABL has advanced equipments & machines and provides excellent opportunities to students of Allied and Healthcare stream for training. The SCAH offers Doctoral programs in Medical Laboratory Technology and Medical Imaging Technology, Postgraduate programs in Medical Laboratory and Radio- Imaging Technology, The Undergraduate programs in the field of Medical Laboratory, Radio-Imaging, Operation Theatre, Operation Theatre (Honors Anesthesiology) and in Optometry form the premium group of programs much sought after. Besides PG and UG programs, Diploma programs in MLT, X-Ray, Optometry, CT-Scan and Operation Theatre are also being conducted. Many of the students have got placement in Government, corporate and private hospitals besides diagnostic and clinical laboratories within India and abroad.

CALL FOR ABSTRACT & PAPERS

Abstract and Full Length Papers are invited to publish in the conference proceedings to publish in edited ISBN Book.

Guidelines for Abstract and Paper:

- Font- Times New Roman
- Font Size- 12
- Line Spacing- 1.5
- Page Type- Justified
- Abstract (Words)- 200-300 and Paper (3000-5000) Words
- Referencing Style- APA

IMPORTANT DATES

IMPORTANT DATES

- Last date for Abstract Submission: 06.12.2025
- Notification of Acceptance: Before 15.12.2025
- Full Paper Submission Deadline: 10.01.2026
- Last Date for Registration: 10.01.2026

Publication:

Some of the selected papers will be published in the form of an edited book with ISBN number. Conference proceedings may be given to all the delegates in e-copies.

WHO CAN PARTICIPATE?

- Academicians from Health Care Industries
- Scholars from Different Healthcare Stream
- Allied and Healthcare Professionals
- Post Graduate Students
- Industry Specialists
- Under Graduate Students
- Members of various scientific committee
- Members of various NGO's who work in Healthcare Sector

REGISTRATION DETAILS

Category	Registration Fee (INR/USD)
Academicians / Professionals	Rs. 2500 (On Desk Registration-3000/-)
Early Bird Registration Deadline	10.01.2026
Research Scholars	Rs. 2500 (On Desk Registration-3000/-)
Students PG	Rs. 1500 (On Desk Registration-2000/-)
Students UG	Rs. 1000 (On Desk Registration-1500/-)
International Participants	\$100 USD

Registration Fee includes: Conference Kit, Certificate, Lunch, and Refreshments, publication charges of the Accepted papers (having less than 10% similarity) for publication in ISBN indexed edited book.

ABOUT THE UNIVERSITY

Swami Vivekanand Subharti University (SVSU), Meerut, is a premier institution dedicated to academic excellence and holistic development. Established with the vision of imparting value-based and inclusive education, the university has grown into a multidisciplinary hub offering programs across various disciplines including medicine, law, engineering, management, arts, and social sciences. The university campus is a self-sustained township with world-class infrastructure, libraries, research centers, and residential facilities. SVSU emphasizes social responsibility through rural outreach, environmental consciousness, and community development.

Courses Offered by SCAH....

Diploma Courses

- Diploma in Laboratory Technician (DLT)
- Diploma in Operation Theatre Technician (DOTT)
- Diploma in X-Ray Technician (DXRT)
- Diploma in CT-Scan Technician (DCT)
- Diploma in Optometry (DOPT)

Bachelor Courses

- Bachelor of Science in Medical Laboratory Technology (BMLT)
- Bachelor of Radiological and Imaging Technology (BRIT)
- Bachelor of Optometry (BOPT)
- Bachelor of Science in Operation Theatre Technology (BSCOTT)
- Bachelor of Science in Operation Theatre Technology-
(Honors in Anaesthesiology, BSCOTT-HA)

Master Courses

- Master of Science in Medical Laboratory Technology (MMLT)
- Master of Science in Radiological and Imaging Technology (MRIT)
- Bachelor of Optometry (BOPT)

Doctoral Courses

- Doctor of Philosophy in Medical Laboratory Technology (Ph.D.MLT)
- Doctor of Philosophy in Medical Imaging Technology (Ph.D.MIT)

ACCOMMODATION & STAY OPTIONS

The organizing committee will facilitate suitable accommodation arrangements for registered participants. Delegates may choose from the following stay options in Meerut:

Nearby Hotels (Preferred Partners):

- Mars Resorts** – 4-star, approx. 200 Meters from venue
- Bravura Gold Resort** – Business-class hotel, approx. 5 km from venue
- Hotel Samrat Heavens** – Well-rated 3-star hotel, city center

Tariff Range: Rs. 1500–Rs. 8000 per night (subject to change; check direct or online booking)

Assistance for Booking: The hospitality team will assist in connecting with hotels for negotiated rates.

Accommodation details will be shared with registered participants.

On-Campus Guest House (Limited Rooms):

- First-come, first-served basis for invited speakers and registered foreign delegates.

THE MARS RESORTS

- DESTINATION WEDDINGS • CORPORATE EVENTS
- PARTIES & CELEBRATIONS

	Tasma RESTAURANT	Indian, Continental & Chinese Cuisine
	MOKSH — BAR & LOUNGE —	Cocktails, Mocktails Shakes & Ice Creams Tandoori Snacks
	Spa & Salon	<ul style="list-style-type: none"> • Revitalize • Rejuvenate • Relax & Unwind in Tranquility

Food Court

ABOUT MEERUT

Meerut is a historically rich city located in western Uttar Pradesh and part of the Delhi National Capital Region (NCR). Known for its pivotal role in India's First War of Independence in 1857, Meerut is often regarded as the cradle of India's freedom movement. The city is home to a blend of cultural, educational, and industrial importance, with a flourishing economy centered on sports goods, musical instruments, and scissors industries.

Meerut is also recognized for its educational heritage, being host to reputed institutions and universities. Its spiritual and cultural landscape is enriched by numerous temples, mosques, churches, and historical monuments that reflect India's diversity and religious coexistence.

Important Places to Visit in Meerut:

AUGARNATH TEMPLE

GANDHI BAGH

SURAJ KUND

SHAHID SMARAK

HASTINAPUR

GARHMUKTESHWAR

- **Augarnath Temple:** Known as the "Kali Paltan Mandir," associated with the 1857 mutiny.
- **Gandhi Bagh:** A colonial-era garden and historic public space.
- **Suraj Kund:** A scenic historical site with cultural significance.
- **Shahid Smarak:** Memorial dedicated to the martyrs of the 1857 rebellion.
- **St. John's Church:** One of the oldest churches in northern India.

HOW TO REACH MEERUT

By Air: The nearest international airport is Indira Gandhi International Airport (IGI), New Delhi (approx. 90 km).

By Rail: Meerut is well-connected via Indian Railways to Delhi, Lucknow, Dehradun, and other major cities.

By Road: Located on NH-58, Meerut is easily accessible by bus, cab, or private vehicle from Delhi and nearby cities.

List of Expected Renowned Speakers from across the World

Sr No	Name of the resource Person	Profile	Country
1.	Dr. Cathy Stern	OD, FOVCR, FCSO, FNORA	USA
2.	Dr. K. Thakur	Research Manager and Scientist, Yale University, New Haven, Connecticut	USA
3.	Mr. Manoj Pahiju	Technical Officer (Radiology), Tribhuvan University, Kathmandu, Nepal	Nepal
4.	Dr. Sudeep Datta	Professor and Head, Department of Laboratory Medicine, AIIMS, New Delhi	India
5.	Dr. Rajeev Prasad	President, World Optometry Association, USA	India
6.	Prof. (Dr.) Kamal Pant	Chairperson, Uttar Pradesh State Allied and Healthcare Council	India
7.	Dr. Yogendra Kumar	Professor and Head, Department of Radiodiagnosis, GBCMV, Dehradun	India
8.	Mr. Gagan Sahn	Director, Silverline Laboratories, Delhi	India
